directional and elevator signs

STYLE A926

STYLE A927

STYLE A925

A925 ROOM DIRECTIONAL SIGN. 15" x 8". Single face for flush mounting. Double face for extended-from-wall mounting.

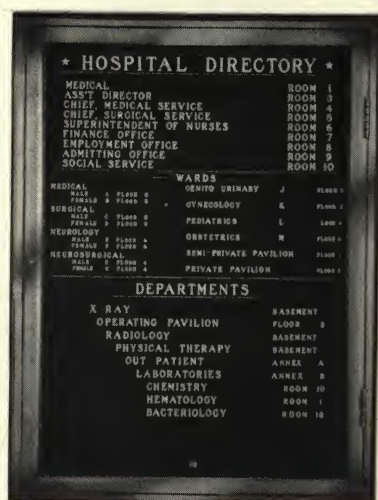

A926 ELEVATOR SIGN. 14" x 20". May be used for printed inserts such as elevator license or menus as shown.

A927 ELEVATOR SIGN. 14" x 11". This sign, although constructed with regular changeable letterboard, is often used with printed insert for advertisements or licenses.

All three signs described above are available only with extruded anodized aluminum frames with moulding number 4. All three have glass face and changeable letter backboards removable from rear.

directories

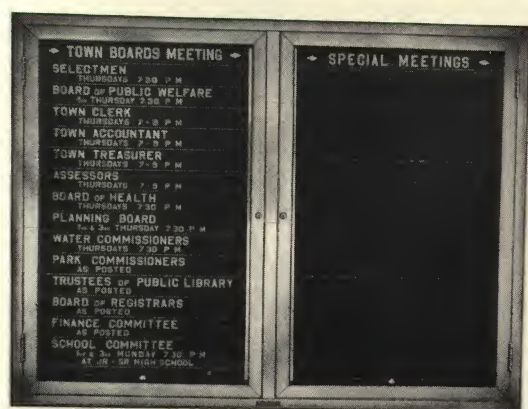

for LOBBY or INDIVIDUAL FLOOR LISTINGS

A600 Deluxe directory with set-in hinged glass door, lock and key. Illustrated example is a 27" x 36" changeable letterboard with $\frac{3}{8}$ " roman letters. Available in extruded aluminum with case moulding number 6 and door moulding number 3. Available in all other materials with case moulding 78 and door moulding 28.

940 Changeable letterboard with extra heavy extruded anodized aluminum case with moulding number 4. Cover-all door type construction. Frame is hinged to a rear metal insert holder — or pan — by means of an aluminum piano hinge. Letterboard fits into pan and is bound with an aluminum channel for easy removal. Special locking device for case. $\frac{1}{2}$ ", $\frac{3}{4}$ " and 1" roman art letters are used in 20" x 30" board illustrated.

A600-2D Same specifications as A600 with two door type construction. Three and four door styles are also available. 36" x 48" board illustrated

STOCK SIZES FOR BULLETINS AND DIRECTORIES

15" x 20"	22" x 32"	28" x 40"
18" x 24"	24" x 36"	32" x 44"
20" x 30"	27" x 36"	36" x 48"

Any style or size can be custom made to fit your requirements.

**950**

Deluxe bulletin in extruded aluminum frame with 5 ft. standards. 33" x 36" bulletin illustrated. Bulletin case with moulding number 6. Door moulding number 3. Also available 27" x 36".

church signs

THE MAYFLOWER

29" x 52"	42" x 62"
33" x 57"	54" x 72"
42" x 52"	60" x 54"

THE PILGRIM

28" x 40"	33" x 50"
30" x 40"	36" x 48"
30" x 45"	

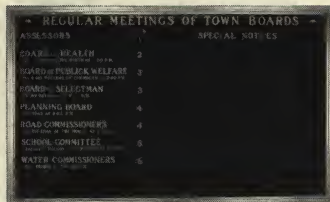

Outdoor bulletins — illuminated or non-illuminated — in genuine bronze or stainless steel. All cases are thoroughly weatherproofed with watertight soldered corners and reinforcing iron corner plates. Doors are provided with top and bottom raindrip. Inside of door frame lined with aluminum. Backs are completely covered with painted galvanized metal — soldered watertight. Illuminated cases are 5" deep with lighting fixtures mounted inside the top portion of case. Non-illuminated cases are 2½" deep. Church name is mounted on ¼" thick opaque plexiglas with raised black plexiglas letters.

Inserts available in either black or white Permalynn backgrounds. Mounting posts and hardware available.

bulletins

A920 Changeable letterboard with any specified moulding. Illustration shows extruded anodized aluminum moulding number 1 with 1½" face. When frame is assembled, letterboard is held in place permanently. Open face style — no glass. This frame is adaptable to all sizes — recommended for larger signs. Illustrated example is a 60" x 36" Permalynn board with 1" and ½" roman art letters.

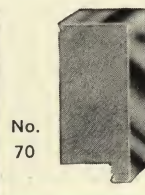

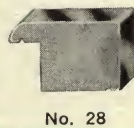

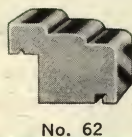

CORK BACK BULLETINS

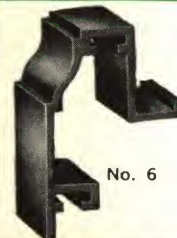

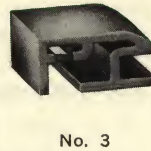

are available in chrome or wood frames to your specifications. Open faced or with hinged glass doors.
